The District Credit Union's **FREE** financial literacy workshops provide a comprehensive introduction to money basics. Classroom workshops are **grade-specific** and can be linked to curriculum and cover the essentials for any grade level.

- **STUDENTS LOVE LEARNING:** Gain money management skills and confidence to be successful.
- **TOP MARKS FROM TEACHERS:** Partnering with APS educators since 1961
- **OUTSTANDING VALUE:** Programs are **FREE!** Classroom visits build the skills, knowledge and confidence students need to secure their future financial well-being. Many schools have already taken advantage of our **FREE** financial education services and have partnered with **The District** in an effort to put their students and staff on the path to financial wellness.

Presented by Kellie Pham

Kellie is a former credit union teller who is passionate about educating our community on financial literacy. She aspires to equip our members with the tools and knowledge they need to navigate their milestones through every stage of life. Kellie has provided **FREE** workshops for Aurora Public Schools including high schools, middle schools, elementary schools and even PTO's.
