YouGrow Credit Card*: Your First Step to Credit Success

No credit history? No problem!

The YouGrow credit card is a secured card for teens and young adults to build credit early. Get a \$100 bonus added to your credit limit with any deposit. Plus, earn a \$50 gift card after a year of on-time payments. Start growing your credit today with our help!

New Driver Flex-Rate Program

Continue building your credit with our New Driver Flex-Rate Program. Qualify for a rate as low as 5.99% APR** on loans up to \$25,000. After one year of on-time payments, you may qualify for an interest rate drop of 1.5% APR. Drive into your financial future with confidence!

Own a stake in The District Credit Union

By opening a Share Savings account with a minimum deposit of just \$25 (plus a one-time \$10 membership fee). This account establishes your ownership and makes you eligible to take advantage of all the products that The District offers.

Checking with no monthly service fees

No minimum balance requirements, and thousands of surcharge-free ATMs.

**The YouGrow Secured Credit Card requires a refundable security deposit to establish your credit limit, with an additional \$100 credit applied immediately upon approval. A \$50 gift card is available after one year of timely payments, which the member must claim by contacting the Credit Union; other conditions and restrictions may apply. Credit history is not required for approval, but you must qualify for membership to be eligible.*

***The Annual Percentage Rate (APR) for auto loans is for well-qualified borrowers and may require a co-signer. The stated APR applies to loans through The District Credit Union and is subject to change without notice. Final APR may vary based on credit history, loan term, loan-to-value ratio, and vehicle age. Membership qualification is required. Other conditions and restrictions may apply.*
