Volunteer For Your Credit Union Board of Directors

Embrace the opportunity to shape the future of The District Credit Union and join this amazing team. As per our credit union's bylaws, applications for a few vacant credit union director positions are now open. Any credit union member in good standing and over the age of eighteen is eligible to be considered for board membership.

Serving as a volunteer on your Credit Union Board of Directors is an exceptional opportunity to participate in the democratic principles that set us apart from other financial institutions. Board members play a crucial role in guiding and overseeing the credit union, ensuring that it operates in accordance with the wishes of its members and adheres to all applicable laws and

regulations. Their responsibilities encompass establishing sound policies, safeguarding the credit union's financial stability, and making informed decisions regarding programs and facilities.

The Board of Directors comprises seven dedicated volunteers who convene monthly, typically on the evenings of the fourth Tuesday. Each term of office spans three years, providing ample time to make a meaningful impact on the credit union's trajectory.
